Ladies and Gentlemen,

On March 21st, one of our Agents was involved in an on-duty shooting near Douglas, Arizona.

During the incident, the agent's service vehicle was struck by the suspect's vehicle and rocks were thrown. Thankfully, the agent was not injured in the incident.

In the coming days and weeks, you may hear reports, speculation, and rumors from various sources about the shooting. I ask that you use caution in drawing any conclusions until all of the facts have been gathered and released.

The FBI and the (b) (7)(E) are investigating this incident as an assault on a federal agent and we will keep you informed regarding the latest official developments.

Thank you for what you do every day.

February 15, 2011

Dear Colleagues:

It is with great sadness that I report that earlier today, two of our colleagues at U.S. Immigration and Customs Enforcement (ICE) assigned to the ICE Attaché office in Mexico City were shot in the line of duty while driving between Mexico City and Monterrey by unknown assailants.

One ICE agent was critically wounded in this attack and died from his injuries. The second ICE agent was shot in the arm and leg and remains in stable condition.

Every day the men and women of our department put their lives in danger to serve the higher calling of protecting our country and supporting our allies.

Today's attack reminds us of the risks they face and the sacrifices they so selflessly make on our behalf.

U.S. law enforcement agencies are working closely with Mexican authorities who are investigating the shooting to ensure the perpetrators of this unconscionable crime are captured as quickly as possible.

I've directed the full resources of our Department to support that investigation. We also remain committed in our broader support for Mexico's efforts to combat violence within its borders.

I ask that you join me in praying for our fallen and wounded colleagues. Please keep them, and all our DHS personnel serving abroad or in harm's way, in your thoughts.

Yours very truly,

Janet Napolitano

*Tucson Sector Family:*

*Today, three individuals who were arrested on the day of Agent Terry's death entered guilty pleas to illegal entry charges to resolve all federal charges against them. Based on the current investigation, it has been determined that these individuals were not involved in the murder of Agent Terry and therefore will be deported to Mexico. Rest assured that had they been in any way connected to this crime, the United States would have filed appropriate charges against them.*

*The Federal Bureau of Investigation (FBI) and the US Attorney's Office are dedicating significant resources to bring those involved in Agent Terry's murder to justice, with a joint goal of bringing criminal charges against those responsible for this heinous crime.*

*While it is difficult to wait, it is imperative that we trust our legal process and those who execute it. Please remember that because this is an ongoing investigation, the FBI will retain any information that may jeopardize the case. I am frequently in contact with the FBI and the US Attorney's Office and they are committed to releasing updates as they become available.*

*As stated in previous messages related to this case, I remain committed to keeping you informed on Agent Terry's murder investigation, and as I receive information authorized for release, I will disseminate it to the Sector. Although this process may not move as quickly as we would like, please know that all involved agencies are working hard to ensure justice is served.*

Brian Terry Memorial

Fellow BORTACers,

Since Brian Terry's end of shift on December 15, 2010, I have witnessed a BORTAC that is a proud, generous, tenacious and honorable band of brothers. We all accept the risk associated with being the men who run toward the sound of gunfire and put our lives on the line without hesitation. It is a thankless job, but a mission we love nonetheless. Brian knew the dangers of the border and accepted that risk as he served with BORTAC. That Brian was keenly aware of the peril of our mission became apparent after his death; this was a message he wrote to himself:

**"If Today Be the Day"**

**"If you seek to do battle with me this day, you will receive the best that I am capable of giving. It may not be enough, but it will be everything I have to give, and it will be impressive".**

**"I have kept myself in peak physical condition, schooled myself in martial arts, and have become proficient in the application of combat tactics. You may defeat me, but you would be lucky to escape with your life. You may kill me, but I am willing to die if necessary. I have been close enough to it on enough occasions that it no longer concerns me. But I do fear the loss of my honor, and would rather die fighting than to have it said that I was without courage..."**

I have thought about these words many times since I heard them and I find them inspiring, thoughtful, and honorable; this message that Brian leaves us is a code to live by.

With the conclusion of the memorial services for Brian Terry, I want to express my heartfelt gratitude for all your support to Brian's family, the Unit and each other during this tragedy. I also want to mention that Tucson Sector did an outstanding job with Brian's memorial service on Friday, 21 January 2011.

Thank you all for your dedication, honor and commitment.

Message to all BORTAC personnel

Gentleman,

We have had time to reflect individually and collectively on the impact of the death of BORTAC Operator Brian Terry. We laid Brian to rest with honors on December 22, close to his family in his home state of Michigan. All BORTAC members that were present at the services rendered their final honors to Brian in a private ceremony that numbered over 70 retired and active members of the Unit. I have never been more proud of BORTAC than in this time of support and respect for our fallen brother and his family. This remains a difficult time for all of us who knew, worked with and respected Brian, and for many of us the mourning continues.

We must remain steadfast in our ethic and continue to perform and live as professional law enforcement officers and moreover, as BORTAC agents. As enforcement operations move towards the investigative and prosecution phases for the murder of our brother we must not impede the process. Therefore, I respectfully ask that when talking of the incident to colleagues and friends that we not exacerbate emotions or unconsciously damage the reputation of other Agents through speculation or innuendo.

Nevertheless, I strongly urge anyone to discuss your feelings about the incident as a part of the peer support program, professional counseling through the Employee Assistance Program, or with the clergy or professional of your choice. Any other information regarding the incident should be shared with authorized investigators as a part of the prosecution phase. We owe it to Agent Terry to remain focused on our mission and our commitment to professionalism that each one of us and the Unit has earned over the past 26 years.

The coming months are likely to trigger many emotions such as anger, animosity or anxiety. If you need to talk to someone the Border Patrol has many ways to help its people in difficult times; it is important to talk to someone. Also, if you see someone in a difficult circumstance reach out to them. We share many common experiences and hardships, don't underestimate the importance of just being there for your teammates.

I also want to take the time to thank you all for dedicating your time and efforts in the aftermath of the incident and working tirelessly in searching for and arresting persons believed to be responsible for Agents Terry's death. We will not rest as a Unit until all of Agent Terry's murderers are successfully prosecuted.

I am proud to serve this country with all of you as a Border Patrol Agent and a BORTAC member, and as always I am available to talk with anyone at anytime. I am confident that BORTAC will emerge from this tragedy stronger, smarter and more capable to confront the threats that face this country as we carry Brian in our hearts and honor his sacrifice on every mission.

Merry Christmas and God Bless you and your families.

Tucson Sector Family,

The 2010 Holiday Season is in full swing and as we bring the calendar year to a close, take a moment to reflect on all you have accomplished this year both personally and professionally.

As men and women of the Tucson Sector, you can take pride in knowing that your hard work and dedication in securing our Nation's borders is evident in the reduction of activity, significant narcotic seizures, and the high percentage of applied consequences.

This year was not only about accomplishments. We also suffered great losses which can be especially painful during the holidays. The greatest tribute we can make to honor our injured, ill and fallen comrades, especially Border Patrol Agents Michael Gallagher and Brian Terry, is to ensure that their efforts and their lives were not in vain and to remain steadfast in our mission.

In addition, this time of the year can also be a stressful time. If you or someone you know is in need of assistance, know that resources are available. Please contact your immediate supervisor or pass on the number of the Employee Assistance Program (b) (6), (b) (7)(C) TCA Peer Support and chaplains are always available as well.

Thank you for your continued hard work and dedication to the agent and support functions you performed this past year (b) (7)(E)

I look forward to hitting the ground running as we bring in the New Year!

Cherish these days with loved ones, enjoy the holidays, and look out for each other. Happy Holidays to each and every one of you!

This time last year, I was preparing to be your Commissioner. Now, having been a part of CBP for almost 10 months, I know and want to express to you what a privilege and honor it is to lead this magnificent organization. I thank each and every one of you for the assistance you have rendered and the outstanding and vital work you do each day to protect our homeland, our economy, and our way of life.

Though this is a time of celebration, it is also a time of loss. As we grieve one of our own, Border Patrol Agent Brian Terry, our hearts go out to his family and friends whose loss is so fresh and keenly felt during this holiday season. And we continue to remember the families of all our CBP colleagues, past and present, who will be missing loved ones as they gather for the holidays.

The end of the year is a time for taking stock of all that has occurred during the year—and a time for looking ahead and setting new goals. You can all be enormously proud of what you have contributed to CBP's achievements over the past year. We are strengthening and expanding our programs and processes both to secure the gateway to our nation's homeland and to secure its physical borders. We are working more closely with both our trade and law enforcement partners. We're improving our infrastructure and growing our use of technology. We are moving forward in all areas to reevaluate how we do business and how we can make our nation both safer and more economically competitive and prosperous.

In the midst of this season of wonder and hope, amid the hustle and bustle, the presents and parties, may you find time for stillness and quiet to contemplate what is most meaningful in your lives and your work. May you use those quiet moments to strengthen your faith, renew your commitments, and give thanks for the incomparable blessings and freedoms we enjoy as Americans. And, as we prepare for the New Year, may we continue to meet the challenges before us with skill, knowledge, courage and commitment and in doing so, protect our country and its people in fulfillment of our solemn pledge and sacred obligation.

Lisa and I, and our family, extend to you and your families our warmest wishes for a safe and happy holiday and a healthy and joyous New Year.

**Subject:** Update on Funeral Arrangements and Services for Agent Terry

Tucson Sector Family,

I would like to take a moment to update you on the status of funeral and memorial services for Border Patrol Agent Brian A. Terry. Agent Terry will be transported to his family in Brownstown, Michigan tomorrow morning, Saturday, December 18, 2010 for his funeral. Funding for attendance at this service is only authorized for a very small contingent from Tucson Sector leadership and Honor Guard representatives. Be assured that despite budgetary constraints, full honors will be provided to Agent Terry. The Tucson Sector Honor Guard will escort Agent Terry to Michigan and will remain at his side through the funeral services and to interment on December 22, 2010. Honor Guard team members from throughout the Nation will join together in Michigan to ensure that all honors are rendered.

The Tucson Sector as a whole is grieving the loss of another of our agents. In early January, on a date that works for Agent Terry's family, Tucson Sector will host a memorial service that will allow all of us in Tucson Sector, the opportunity to honor Agent Terry and to say farewell. The Tucson Sector Family Support Unit will be reaching out to friends and coworkers of Agent Terry to participate in the planning team for the memorial service.

Tomorrow morning, all of you who are available and wish to be present as we escort Agent Terry to the airport for his departure to Michigan, are welcome. If you wish to participate in this procession, please meet at the Adair Funeral Home, 1050 North Dodge Boulevard, Tucson Arizona at 5:00 a.m. A procession of Border Patrol vehicles and our local law enforcement partner vehicles will depart from the funeral home at 5:45 a.m. and follow the hearse containing Agent Terry to the cargo gates of the Tucson International Airport. This procession will not follow Agent Terry on the tarmac but will break off from there to allow a smooth transition.

Other uniformed agents will be present on the tarmac to escort Agent Terry to the airplane. Details are still being worked regarding the number of uniformed agents who will be permitted on the tarmac. This group will consist of as many classmates and partners of Agent Terry as we are allowed to accommodate by airport officials. Rough duty is authorized for tomorrow as many participants will be on duty.

This has been a difficult year for all of us in Tucson Sector. Please remain steadfast and retain the focus needed for your safety.

**Subject:** Condolences

On behalf of San Diego Sector I offer our most heart felt condolences and prayers following the tragic death of Agent Brian Terry.

It has been less than 17 months since San Diego Sector suffered a similar loss, when Agent Robert Rosas was brutally murdered on July 23, 2009. San Diego Sector has reached out to both OBP and Tucson Sector to offer any assistance necessary in both assisting in the capture of the fifth suspect as well as (b) (7)(E) and inflict the maximum consequences against these criminal organizations. We know first hand here in San Diego the results that can be achieved as a result of a collaborative enforcement effort and stand by to assist Tucson Sector in whatever means possible.

This is yet another grim reminder of the dangers each and every one of you face on a daily basis as you unselfishly perform our mission of protecting America. Let us reflect on this tragic event but do not let it deter us from continuing to persevere and complete our mission. To do anything else would be a great disservice to the memory of Agent Terry, and every other Border Patrol Agent, who paid the ultimate sacrifice in protecting this Nation from harm.

SDC will keep Agent Terry, his family, and the brave men and women of the Tucson Sector in our thoughts and prayers at this difficult time.

HONOR FIRST

It is with great sadness that Chief Fisher and I inform you of the death of Border Patrol Agent Brian A. Terry. On December 15, 2010, Agent Terry was killed in the line of duty after he was shot during an encounter with several suspects near Rio Rico, Arizona.

Agent Terry began his career with the Border Patrol on July 23, 2007, as a member of the 699th Session of the Border Patrol Academy. After graduation he was assigned to the Tucson Sector.

Agent Terry was a native of Detroit, Michigan, and is survived by his parents, a brother and two sisters.

This tragic loss of life serves as a stark reminder of the many dangers our uniformed agents and officers face on a daily basis in service to our nation. We will carry Agent Terry and those who went before him in our hearts as we continue with our mission.

Mourning bands are authorized to be worn until Agent Terry's interment. Information regarding memorial service and funeral arrangements will be posted on CBPnet as soon as it becomes available.

On behalf of the entire U.S. Customs and Border Protection family, I would like to extend my sincere condolences to the family, friends and colleagues of Agent Terry.

BPA (b) (6), (b) (7)(C) reported that a vehicle with markings that read (b) (7)(E) pulled to the opposite side of the road approximately 30 feet away. A cameraman got out of the vehicle and took a few seconds of video of his Service vehicle which was parked between the aliens and the road.

BPA (b) (6), (b) (7)(C) also explained that he believed the Agents on scene and the group that was being processed were shielded by the Service vehicle. BPA (b) (6), (b) (7)(C) also stated the crew did not make contact or interview anyone that was at the scene.

It was later reported that the camera crew had been invited to the (b) (7)(E) area by a group that is involved in an alien trash cleanup in this area.

**Subject:** (b) (7)(E) Rocking Incident

On March 16, 2009, at approximately 3:40 PM, I received a call from BPA (b) (6), (b) (7)(C) stating that his vehicle (b) (7)(E) had been hit by a rock that was thrown over the International Boundary Fence. BPA (b) (6), (b) (7)(C) was responding to a call from the (b) (7)(E) Border Patrol Station concerning several individuals that had climbed over the International Boundary Fence approximately one-half mile east of the (b) (7)(E) Arizona Port of Entry. As BPA (b) (6), (b) (7)(C) approached the area one of the individuals ran south and attempted to climb back over the fence. BPA (b) (6), (b) (7)(C) apprehended the individual and brought him to the rear of his vehicle to secure him in the back.

While BPA (b) (6), (b) (7)(C) was at the rear of the vehicle an individual on the south side of the fence lobbed a rock over the fence and it struck the top of the passenger side door above the window leaving a small dent. The rocking did not seem to be a direct targeting of BPA (b) (6), (b) (7)(C) but an attempt to distract him from completing the apprehension of the alien on the north side of the wall.

There were no injuries associated with this incident and a picture of the damage to BPA (b) (6), (b) (7)(C) vehicle is attached.

(b) (7)(E)

Our new unit for Pay Period 1 is put together in (b) (7)(E). Please take a minute to look it over and make sure that your assigned days off duty don't cause you any undue grief, hardship or whatever. I'm off Friday/Saturday, but will be in on Sunday and can make some minor changes if necessary. Let me know.

On this (b) (7)(E) it's not uncommon for the FOSs to make changes after I submit our (b) (7)(E). So don't assume that your days off are guaranteed until the (b) (7)(E) is posted on Tuesday morning (12/30/08).

And lastly, (b) (6), (b) (7)(C), I know that we have some exigent circumstances this Pay Period, but in the future, they're gonna expect me to put your days off around your Post Academy days so you have at least 8 hours between shifts. That way, if you flunk out of Post Academy, it will be your fault, not mine.

Thanks,

FYI,

Congratulations, you all have been selected to attend the TCA (b) (7)(E) Pre-Basic Course at (b) (7)(E) from November 16, 2008 – November 22, 2008. However, this is just a tentative notice. We are still waiting on Sector approval. Upon approval, there will be a release memo that will be forwarded to your stations requesting your release. Below is information pertaining to the course.

You must arrive at the main gate at (b) (7)(E) Arizona, no later than 0900 hours on November 16, 2008. (Go through the main gate and then take an immediate right into the parking lot) You must travel by Government-owned vehicle, (GOV) preferably two Agents per GOV. Personally owned vehicles will not be authorized. You must bring a (b) (7)(E) Reporting uniform will be rough duty. After we account for everyone, we will travel to the (b) (7)(E) and issue out room keys. Immediately following key issue, we will administer the Physical Fitness Test. Make sure that you are hydrated. The rest of the day will be in the classroom.

Everyone will be staying (b) (7)(E) at one of the barracks. Do not worry about orders, we will generate them. We will either be eating at a chow hall on base or you will be given a MRE. I recommend bringing some food with you. (cliff bars, powerbars, fruit, etc)

Attached you will find the required packing list along with a personal data sheet. Please complete the personal data sheet and have it ready on November 16 when you report to (b) (7)(E).
